- Games and Sports Facilities: available

The institution has the services of three qualified Physical Directors, one of them being a lady Physical Director.

The area of outdoor stadium is 5.58 acres, suitable for conducting even National level sports competitions.

Athletic Track and facilities for field events like Javelin Throw, Shot-put, Discus Throw and Jumps are made available in this outdoor stadium.

Usually the sports and games facilities are utilized by the students outside the academic hours.

An Indoor stadium of size 30m x 40m x 12m is made available. In this stadium Badminton courts and Gymnastic facilities are made available. Another 24 station modern Gymnasium with treadmill facility as well as weight lifting facility is also made available.

Separate timings are made available specifically for girl students in the same Gymnasium.

The college has some more indoor facilities for Table Tennis Tables, Caroms, Chess, Dart boards, conducting cultural activities, Guest rooms for visiting athletes and participants. Along with the outdoor stadium, college has a space of about 9 acres in which all the outdoor sports and games facilities are made available. In this space college has provided Cricket Field, Volley Ball courts (Separate Volley Ball courts for girls), Throw Ball courts, Kabaddi court, ChoCho court, Basket Ball courts, Handball courts and Ball-badminton courts. A large percentage of students participate in the sports and games events conducted at college level, University level as well as National level. More than 50 students usually win prizes in such events every year.

- Extra-Curricular Activities: available

Extra-curricular activities conducted at our college are conducted through NSS Unit, Sports and Games, Yoga and Meditation Centre and Cultural activities.

NSS Unit : NSS unit takes up various service oriented activities such as Programs on Road Safety, First Aid Training, and Blood donation. STEN has adopted a nearby village (Satulur) and NSS unit coordinates all the service activities in that village. The NSS unit makes efforts to involve the village community and constantly strives to sensitize students into developing a social concern and orientation. NSS Unit interacts with all stakeholders before and after conducting such activities and prepares activity reports. Such issues help us in formulating the right response to the proposed activities. NSS volunteers regularly visit villages and gather data and reviews before attempting to solve them. The NSS Program officer regularly guides the students by organizing meetings and mentoring them. The Program officer is assisted by faculty representatives from all departments. Our NSS initiatives have been appreciated by the villagers as well as other stakeholders.

Activities at the adopted Village

Open Defecation Free (ODF) survey (Reduced from 166 to 24)

Plantation (100 plantations per year)

Counselling the school dropouts (05 Per Year)

Distribution of Books to School Students Distribution of Exam Kit for X Class Students

Organizing Medical Camps Laying of water pipe line to the school

Yoga and Meditation Centre:

Services of a qualified Yoga Trainer are available in the college. Many of our students trained by Yoga trainer also participate in events conducted at

- Soft Skill Development Facilities

In order to mould the students into employable graduates, Soft Skills Development centre was started in the year 2014; and later it was rechristened as the Centre for Career Guidance and Training (CGT) in 2015. It caters to the training and skill-needs of our students and make them industry-ready. This department gives guidance to students in different sections such as Quantitative Aptitude & Reasoning, Verbal Ability, Soft skills, Life skills, Behavioral skills, Career guidance and Counselling, all integrated into the curriculum with an allocation of one/two hours every week. It also supplements core technical skills through special training programs offered by third party for students to enhance the industry-readiness. The major activities include planning, designing and organizing all the training programs, seminars and workshops. Students are assisted in all these activities during campus recruitment drives. Conducting Mock Interview (MI) sessions, analyzing student performance and accordingly offering career guidance are some of the prime activities of CGT department. Providing career counselling support for students seeking admissions for higher studies is also included in the responsibilities of CGT department.
